# Navigating BIS Certification with Confidence

At SS Global Compliance, we are a leading consultancy firm committed to guiding businesses through the complexities of obtaining Bureau of Indian Standards (BIS) certification. With years of industry expertise and a deep understanding of regulatory frameworks, we help our clients achieve compliance and market acceptance for a wide range of products.

# Our Mission: Simplifying BIS Certification

## Understanding your Needs

We carefully analyze your specific products and identify the relevant BIS standards to ensure complete compliance. Our team takes the time to understand your unique requirements, guiding you through every step of the process.

## Expert Guidance

We provide comprehensive guidance and support throughout the certification process. Our experienced consultants work closely with you to navigate the intricacies of the regulations, ensuring a smooth and efficient journey.

## Clear Communication

We believe in transparent communication and keeping you informed at every stage. Our team provides regular updates and answers your questions promptly, ensuring you have a clear understanding of the process and progress.

# Our Services

## BIS ISI Mark for Domestic Manufacturers

At SS Global Compliance, we specialize in helping businesses obtain the ISI Mark License, which is mandatory for many products sold in India. The ISI Mark signifies that a product complies with the Bureau of Indian Standards (BIS) and meets the required safety and quality standards.

## BIS ISI Mark for Foreign Manufacturers

We assist foreign manufacturers in obtaining the BIS ISI Mark License, a critical requirement for selling products in India. Our expert team streamlines the process, guiding international businesses through the necessary documentation, product testing, and compliance measures to ensure smooth market entry and regulatory adherence in India.

## BIS Hallmark Registration

BIS Hallmark registration is mandatory requirement for gold and silver jewelry. BIS Hallmark ensures the purity and authenticity of precious metal articles. Our team simplifies the registration process, ensuring compliance with the Bureau of Indian Standards (BIS) guidelines for hallmarking and help businesses register for BIS Hallmark certification

# Our Services

## BIS CRS Registration for Electronic Products

At SS Global Compliance, we assist manufacturers in obtaining BIS CRS registration for electronic products, ensuring they meet Indian safety and quality standards. Our team handles the entire process, from testing to documentation. We ensure smooth compliance and market entry for manufacturers.

## UL Certification

We help businesses obtain UL Certification, which verifies that products meet strict safety and performance standards set by Underwriters Laboratories. Our team manages the entire certification process, ensuring compliance with UL requirements for global market access and product safety assurance.

## WPC-ETA Approval

We help businesses in obtaining WPC-ETA Approval, required for wireless and Bluetooth-enabled products in India. This certification, issued by the Wireless Planning and Coordination (WPC) Wing, ensures compliance with Indian frequency and safety standards. We streamline the approval process, helping clients achieve quick and hassle-free market access.
